# Services

**Racial Harmony** is a third-party neutral not-for-profit 501 (C)(3) community organization. It is dedicated to making a difference through mediation, teaching, training and cooperative learning. To facilitate this, Racial Harmony offers the following services:

## **Community Dialogues:**

Provide opportunities for individuals from a cross section of the community to engage in open discussion; to learn more about diversity; and to discuss and develop understanding of and adaptation to changing demographics.

## **Training and Education:**

We offer training in conflict resolution; diversity; sensitivity; mediation; advocacy; and violence prevention.

## **Speakers Bureau:**

Speakers are provided on a variety of topics upon request.

## **Mediation:**

We act as mediators between groups and/or individuals.

## **Harmony Dinner Discussions:**

We present forums open to all races and ethnic groups.

## **Youth-to-Youth:**

We facilitate a peer orchestrated program designed to develop positive attitudes among youth, while building self esteem; team building and conversational skills; and developing problem solving abilities.

# Community Involvement

Racial Harmony partners with community organizations that share similar missions, visions and goals. We sponsor or co-sponsor multiple youth oriented programs.

Our partnerships include collaborations with schools and other community organizations to improve the quality of education for all area students. The Racial Harmony Gathering is a community event which celebrates the diversity among us and honors outstanding students and community leaders. Students are chosen based on their demonstration of outstanding character traits throughout the school year.

In previous years, our Phenomenal Women of Metropolitan St. Louis event has honored outstanding women for extraordinary work in their schools, churches, families and communities.

# Membership

Racial Harmony welcomes all individuals and organizations who understand and support the purpose and goals of the organization. A membership form is available on the back of this brochure.
