Community Dialogues:

From small forums to town hall formats, we provide opportunities for the community to engage in open dialogue about diversity & inclusion in order to develop understanding of and adaptation to changing demographics.

We offer training in conflict resolution; diversity; sensitivity; mediation; advocacy; and violence prevention.

Speakers Bureau:

Speakers are provided on a variety of topics upon request.

Mediation:

We act as mediators between groups and/or individuals.

Harmony Dinner Discussions:

Open to the public, we explore diversity & inclusion in more intimate settings where we provide food & refreshments at no charge.

Youth-to-Youth:

We facilitate a peer-orchestrated program designed to develop positive attitudes among youth while building self esteem, team building, and conversational skills, as well as problem-solving abilities.

Community Involvement

Racial Harmony partners with community organizations that share similar missions, visions and goals. We sponsor or co-sponsor multiple youth-oriented programs.

Our partnerships include collaborations with schools and other community organizations to improve the quality of education for all area students. The Racial Harmony Gathering is a community event celebrating the diversity among us and honors outstanding students and community leaders. Students are chosen based on their demonstration of outstanding character traits throughout the school year.

Our annual E.L.I.T.E. event honors outstanding men and women for extraordinary work in their schools, churches, families and communities.
